CHAMPION, ALBERTA, THURSDAY, September 3, 1942

NUMBER 84

Mr. and Mrs. A. Diemert Celebrate Golden Wed- ding Anniversary

One of Champion's real old time couples, Mr. and Mrs. A. Diemert, celebrated their Golden Wedding Anniversary at their home here last Friday.

They were married August 28, 1892 at Langdon, N. D., and came west to Champion to homestead on February 1st, 1909 and took up a farm about seven miles west of town.

Mr. and Mrs. Diemert have been good neighbors and good citizens of the district during all their years here and as a token of appreciation of the esteem in which they are held by the people of the town and district a presentation was made to them Friday evening. George Orr, acting on behalf of his fellow citizens, made the presentation to Mr. and Mrs. Diemert and in a few well chosen words expressed the hope that they would enjoy many more happy anniversaries.

Many friends and relatives visited the Diemert home during the afternoon and evening to pay their respects. Mr. and Mrs. Paul Diemert and family of Kimberley, B. C. came to Champion for the week-end to attend the celebration. Mrs. Wm. Diemert and daughter Betty, were also guests at the Diemert home for the occasion. Letters and cards of congratulations and best wishes were received from many points in Canada and the United States.

Miss Canada Contest Closes With Flourish

Saturday evening at midnight saw the close of the contest to select the Miss Canadas for Champion and Carmangay. The last few days of voting created much interest and Saturday the scene was reminiscent of an old time election day with supporters of the various candidates doing everything possible to solicit votes and support for their entry.

First to cast ballots in the contest were Reeve Ed. Griffin and Mayor Harry Smith who purchased certificates the opening day.

Winners in Champion were Miss Isabel Clarke and Miss Laura Chaproniere, and in Carmangay, Miss R. Clarke and Miss G. Bravold. Total votes were 15,370 and in Carmangay 6750. These votes represent a sale of 2,212 stamps. Joe McKie had charge of the contest in Carmangay and Stan Orris in Champion.

First appearance of the Miss Canadas on the streets of the two villages was on Thursday afternoon during the "Fifteen Minutes for Canada" observance.

The method of selecting the Miss Canadas in this district was unique and has created much commendation from the War Savings Headquarters in Calgary. The idea has been taken up by other towns and villages in the province.

1942 HANDLING CHARGES

The Alberta Pacific Grain Company has completed arrangements with the Wheat Board for the handling of wheat of the 1942 crop delivered to the Wheat Board through Alberta Pacific elevators.

The operating basis and margins provided in this agreement, under which all elevator companies will operate, are not exactly the same as recently announced by the Alberta Pacific, but the benefits to producers generally will be as substantial as those outlined in our announcement. The reduced margins this year, when compared to those of last year, will result in benefits to farmers ranging from 1/2c to 2c a bushel.

LET'S FOLLOW THE LEADERS

One who did not mean to disparage the efforts of men and women in Canada now giving leadership in this country during wartime, declared recently, "Canada's true leaders are the boys in uniform who are fighting on the seas and overseas."

Few will argue against that opinion. Good leadership embraces the ability to inspire a people to higher achievement, and there is nothing so inspirational as a good example.

In all the self-denial and hard work required from us at home, we are inspired by our gallant leaders who scour the ocean to protect our troops and war materials, who sweep the skies to shelter our homes and industries, and those who dash into enemy territory to crush the heartless wretches who plunged the world into war.

Each of those Canadian leaders overseas has voluntarily offered to stop living, if necessary, that we may live. Each has turned his back on chesterfields and pillows and the joy of doing what he likes. Each has forgotten the ease of an eight or ten hour day and the weekly pay envelope that permitted him to buy a new suit or shirt or to take the girl out to a dance. Each will work twenty-four hours at a stretch when called to do so.

No Canadian soldier puts a limitation on the extent of his service. He is truly going

The Chronicle Tobacco Fund

This fund is for the purpose of sending cigarettes regularly to the boys of the district serving overseas in Canada's forces.

It is planned to send 300 cigarettes each month to each boy.

Money will be collected by voluntary donations made direct to the Chronicle which will be acknowledged in the paper, and through receptacles to be placed in all places of business.

Every cent of money collected will go directly for purchase of cigarettes as the Chronicle is assuming all expenses in connection with the fund.

The local I.O.D.E. chapter has kindly consented to administer the fund, that is, they will handle all monies, book-keeping and ordering.

Donations, distribution and expenditures will be published regularly in the columns of this paper.

No donation is too small to help in this work. Won't you plan to help see that our boys get enough smokes?

all out for victory.

With such leaders, Canadians will not fail in any task ahead. What Canadian father would drop his tools and slow up war production needed by his fighting son overseas? How many Canadians will deliberately spend money for comfort and amusement, when that money is needed so desperately to give our soldier leaders overseas the last bit of equipment they need to conquer the enemy?

As we read the names of scores of young men who suffered and died on the beaches of Dieppe, how precious few of us will want to withdraw our money from the war chest in

order to have a good time with it or to spend it on goods that will make our own lives more comfortable!

Letters From The Soldiers

HER WORDS ARE MUSIC

Melisande Garcia Guerrero was born in Santiago, Chili, studied art in Brussels and Paris, toured Canada with Francis Loderer's company in "Autumn Crocus" two years ago, made her first radio audition at Toronto less than two months ago, made her network debut two days later. Senorita Guerrero's delightful voice has added a Spanish note... piquant and vivacious... to the current CBC musical presentation, "Serenata." The programme, heard over Station CBK Watrous (640 Kcs.), presents Latin American music Mondays at 8.00 p. m. CDT, 7.00 p. m. MDT, from Toronto, under the direction of Isidor Scherman.

During the past ten days we received some letters from soldiers of the district. The first was from P.O. Sid Lindstedt and stated that he was now stationed in the Officers Manning Pool at Lachine, Que. He is enjoying the course very much and expects to be stationed at Rivers, Manitoba in September where he will take a further course in Navigation and after that expects to be an instructor in that field. Mrs. Lindstedt is staying at a summer resort on Lake Louis which is near Lachine.

Our next letter was from Gordon Berger at Alliford Bay. Gordon tells about the salmon fishing and the spawning. Thousands upon thousands of them gather at the mouth of the rivers to become accustomed to the fresh water and the fishermen make tremendous catches. Gordon expects to be posted to a station nearer to home in the near future.

Our third letter was from overseas from Jimmy Buchan and he thanks us very much for sending him the Chronicle. Jimmy says the soldiers biggest kick in life is getting letters from home both from relatives and friends and says there can not be too many of them. The soldier who does not get letters every mail certainly feels out of it. He compliments us on an editorial appearing in the Chronicle suggesting people at home write more letters to the boys in uniform.

"We'll have
a real nest-egg
after this war!"

OUR FAMILY went through hard times once. It taught us that you can't keep your independence without foresight and sacrifice. We learned what we could do without when we had to. So we know that a real nest-egg means more than just compulsory savings. It means all the War Savings Stamps and Certificates we can lay our hands on.

They're safe. And they're an investment every Canadian should make. Why? Because they help equip our fighting men to protect everything we've got. And because, too, they pay back \$5.00 for every \$4.00 we put aside now. We've got to win this war no matter what it costs — and we've got to prepare against the time when the boys come home.

Buy War Savings Stamps from druggists, banks, post offices, telephone offices, department stores, grocers, tobacconists and other retail stores. Certificates may be purchased for immediate delivery in denominations of \$5, \$10, \$25 from Banks, Trust Companies and Post Offices.

On their first public appearance during "Fifteen Minutes for Canada Day," the local Miss Canadas, Miss I. Clarke and Miss L. Chaproniere sold stamps and certificates to the value of \$84.75. Tough Grain

Tough or damp grain is like the flu in that the sooner you can get rid of it, the better. The farmer with tough grain will be in a tough (!) position, this year. Due to the congestion in public storage, accommodation for tough grain will be extremely limited or entirely lacking.

The volume of tough grain is likely to be increased this year as a result of the more general use of combines, particularly in the hands of inexperienced operators who may start harvesting before the crop is ready.

The following suggestions are reproduced from a statement issued by the Manitoba Department of Agriculture. They have equal significance for Alberta and Saskatchewan farmers.

To Avoid Loss from Tough Grain

Allow grain in stock or swath to become thoroughly dry after a rain or heavy dew before threshing or combining.

Allow standing grain to become fully ripened before straight combining.

Weedy crops should be swathed before combining. Straight combining such crops adds to the moisture content of the threshed grain.

Farm Storage Suggestions

Weed seeds and other foreign material should be removed by cleaning before final storage.

The larger the bin, the greater risk of spoilage.

Where grain must be stored on earth or concrete floors, a foot of straw covered with building or waterproof paper will assist in preventing spoilage. (Avoid use of tar paper.)

Avoid leaky roofs. Exclude drifting snow.

Where labour permits, grain too moist to be threshed may often be stacked and carried over satisfactorily to thresh at a later date.

There are no practical ways of drying tough grain on the farm.

Further particulars on farm storage of grain may be had by writing to your Provincial Department of Agriculture.

"R. D." AND MAURICE

Here they are — "R. D." and Maurice — snapped together at CB'S Winnipeg studios. R.D. Colquhoun, CB'S genial Neighbourly News Commentator, and his friendly announcer, Maurice Burchell are heard on Sunday mornings at 9.45 a.m. CDT (8.45 a.m. MDT). People in all parts of the prairies are now familiar with R. D.'s cheery "Good morning, good morning!" and faithful admonition to all and sundry to go to church. Equally famous are his exchanges with Maurice, who gets in a word or two on his own now and then. For nearly two years these two familiar voices have been heard each Sunday morning in thousands of western homes, and some westerners would rather miss their breakfasts than miss "R. D." Maurice is a Winnipegger born, graduate of Kelvin Tech, who came to radio via a broker's office. He is a singer as well as announcer, and once appeared at the Theatre Royal in Dublin, Ireland, during a pantomime of "Peter Pan". He has announced many CBC programmes, including Woodhouse and Hawkins, Mart Kenney, the Choristers, and Impressions By Green. Maurice's pet hobby is yachting, but he has given it up for the duration. "R. D." is a pioneer westerner who came out with one of the earliest harvest trains. He was Manitoba Agricultural College's first senior stick, and was Professor of Marketing at O.A.C., Guelph, for three years. He now edits one of Western Canada's largest farm magazines.
